Remodeled ranch in a quiet cul-de-sac, minutes from Rosmond Park. Master suite includes updated master bath travertine on floor and shower and walk-in closet - 2 additional bedrooms up with the 4th in finished basement (non-conforming). New kitchen; cabinets, granite and stainless steel appliances. Large living room/dining room and a cozy hearth room with gas burning fireplace completes the upper level. New paint and carpet along with a redone bathroom with shower in the finished basement. Larger windows in basement gives lots of light. The home sits in the back of a cul de sac on a 12,500 square foot lot. Great house that is minutes from DTC, 225 - I-25 and Whole Foods.
